EDUCATIONAL TOUR TO AHMEDABAD GUJARAT

To bridge the gap between theory and practice, the Vikrant Group of Institutions, Indore, organized a five-day educational tour for the students of Vikrant Institute of Technology and Management (VITM). This initiative offered a unique opportunity for students to learn from industry experts and gain practical, hands-on experience. It served as an excellent platform for them to interact with professionals, explore the latest technologies, and understand industrial innovations more closely. The tour, held from 24th March to 28th March 2025, covered various prominent industrial units including Adani Ports & SEZ Ltd., Adani Power Mundra Ltd., Adani Wilmar Ltd., Adani Solar,

and Adani Wind. In addition to industrial exposure, students also visited several key cultural and scientific landmarks such as Akshardham Temple, Sabarmati Ashram, Sabarmati Riverfront, Science City Ahmedabad, and Kankaria Lake, making the tour a perfect blend of learning and exploration. The visit was successfully coordinated by Mr. Shekhar Choudhary and Dr. Sandeep Yadav.
